

Everyone know its Windy Sporting Clays League

Starts- Thursday, March 11, 2010

Ends- Tuesday, April 6, 2010

You know the routine & rules, shoot Thursday thru Tuesday - **No League shooting on Wednesday's**, I reset the targets.

The entry fee of \$20.00 will be paid back using the Lewis Class System. Best 3 out of 4 scores, count towards your total. You are Honorable & Trustworthy so keep score for yourselves and turn into the office. Bring Friends – Sign up for Mystery Partners only \$5.00 more. Shoot Well! Mystery Partners are randomly drawn at the end of the league.

The first time you shoot the new course each week, will be your score for record, you can then shoot it as often as you want for fun and practice. **Remember, No League shooting on Wednesday's.**

This is suppose to be *FUN* and done on the *HONOR* system. Scores will be checked, tabulated and posted weekly so you can check your running totals and placement. *C'mon out and enjoy our beautiful course!!!*
